Office Action Summary

DETAILED ACTION

Election/Restrictions

Restriction to one of the following inventions is required under 35 U.S.C. 121:

- I. Claims 1-18, drawn to an e-commerce method which includes a payment agent's terminal for making payment in behalf of the customer's terminal when a customer purchases a commodity from a seller, classified in class 705, subclass 26.
- II. Claims 19-31, drawn to an e-commerce method which includes a purchase agent's terminal for making arrangements to purchase a commodity in behalf of the customer's terminal, classified in class 705, subclass 26.
- III. Claims 32-44, drawn to an e-commerce method which includes a purchase agent's terminal for making arrangements to purchase a commodity in behalf of the customer's terminal and a settlement agent's terminal for making arrangement to settle for the purchase of the commodity in behalf o the customer, classified in class 705, subclass 26.
- IV. Claims 45-55, drawn to an e-commerce method which includes a payment agent's terminal for making arrangements to deliver a commodity to a delivery destination and warranting the payment relating to a purchase between the seller and the customer, classified in class 705, subclass 26.

Art Unit: 3625

- V. Claims 56-64, drawn to an e-commerce method which includes a commodity delivery means for receiving a payment by a receiver for the purchase relating to the order, classified in class 705, subclass 26.

These groups are related as subcombinations disclosed as usable together in a single combination. The subcombinations are distinct from each other if they are shown to be separately usable. Each of these groups are shown to be patentably distinct for the reasons given above and have acquired a separate status in the art because of their recognized divergent subject matter, restriction for examination purposes as indicated is proper.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).
